

June 2018

Dear Unity of Stuart Family,

Our Youth Education classes have grown abundantly. This is an absolute delight to witness. Because of this growth, your loving help is needed to support the spiritual life of our young Truth Students. Teaching experience isn't required, only your willingness and your Christ Consciousness.

**Current need:** Classroom Teachers and Helpers at the Unikid, Uniteen and YOU Level. These ages range from elementary to high school.

**Solution:** Parents/caregivers and congregants are asked to commit to serving in the classroom 1x/month.

- As a Truth Student yourself, you have a depth of spiritual knowledge to pass on.
- Teachers are assigned 2 per classroom for support and safety.
- Lessons are pre-written and paced to the needs of the group.
- Classroom supplies are provided.
- Experience isn't required. Training and support are provided.

**Benefits:** Closer connection with your church family. Exploring Unity Principles, 12 Powers, and various truth lessons from many faiths with the curiosity of a child will bring you new understanding. PLUS, WE HAVE FUN!

**Commitment:** Arrive early on your assigned Sunday to assist with classroom preparations and welcoming the youth. Stay after class to ensure children are picked up by parents/caregivers. Approximately 9:45 to 11:45 AM.

**Contact:** Speak to Amber Strand before or after service, leave your contact information with Dawn in the office, or email [yfm@unityofstuart.org](mailto:yfm@unityofstuart.org)

**Upcoming:** I am holding an information session on Sunday, July 8<sup>th</sup> for current and future classroom volunteers. Come join us in the classroom at noon for approximately 30 minutes. I will share new information from the Annual Wayshowers Conference from Regional Youth Ed Consultant Rev. Ytonna Dyess Finnegan.

Thank you in advance for giving generously of your time and talent.

In loving service,

Amber Strand, YFM Director

**P.S. from Rev. Jude**

Knowing that as we support the spiritual life of our kiddos at Unity of Stuart, we are helping to co-create a world of love, peace and harmony. I am joining with Amber in thanking you in advance for putting your love into the world through our youth and family ministry.
