
What is Unity?

Unity is positive, practical Christianity. We teach the effective, daily application of the principles of Truth taught and exemplified by Jesus Christ. We promote a way of life that leads to health, prosperity, happiness, and peace of mind.

We believe that all people are created with sacred worth, and we strive to reach out to all who seek support and spiritual growth. Therefore, we recognize the importance of serving all people in spiritually and emotionally caring ways. Our ministries and outreaches are free of discrimination on the basis of race, gender, age, creed, religion, national origin, ethnicity, physical disability, and sexual orientation.
