

Grateful

I feel so grateful ... I am so blessed

I breathe in slowly ... as my soul  
rests

Oh Holy Spirit ... You are in my heart  
In each and every moment you play a  
part

I feel so grateful ... to the God within

This blissful energy ... helps me begin Each day  
with gratitude ... I feel God everywhere  
So I give thanks when I say my daily prayers

Grateful, oh grateful ... grateful, so  
grateful  
Grateful, ooh ooh ooh ooh ooh

Grateful, oh grateful ... grateful, so  
grateful  
Grateful, ooh ooh ooh ooh ooh
