

Be Still w&m Chuck Chase

Be still, be quiet

It's the only way

You can hear the voice of God

It's the only way

Be at peace, love another

There is no other way

You can feel the presence of the One

It's the only way

It's the only way

Gentle Spirit w&m Sky St. John

Gentle Spirit flow in me

Gentle Spirit grow in me

Gentle Spirit show in me

Gentle Spirit, no me
